

TN Teen Safe Driving Coalition

Did you know that car crashes are the number one killer of teens?

Did you know that in 2001 Tennessee passed a Graduated Driver's License system in order to reduce these teen crashes?

TN's Graduated Driver Licensing (GDL) system is in place in order to ease teen drivers into full driving privileges, giving them time to gain the experience they need in order to operate a motor vehicle safely. TN's GDL system includes passenger restrictions, time restrictions, a ban on all cell phone usage, and strict seat belt laws.

Come and visit with local teens to learn about TN's GDL system and what a teen can expect when going to get their Learner's Permit or Driver's License.
