The Child Passenger Safety Board has a one stop shop website library of dozens of CEU's and Community Education webinars: **[www.CarSeatEducation.org](http://www.CarSeatEducation.org)**

Community Education completion:

There are three kinds of community education that can count toward recertification. One option is to attend a one hour (minimum) educational session(s), live or on-line. Community Education is not audited and no proof of completion is provided. After you watch the webinar or attend an event, enter the date in your on-line CPS Certification profile. You can mix and match to total 1 hour (minimum requirement).
